

# WANNAHAVACOOOKIE WHOOPIE PIES

Distinctive treats for weddings, gatherings and events.

## SMALL BATCHES. BIG FLAVOR.

WannaHavaCookie whoopie pies are hand made in small batches, individually packaged and customized to your specifications.

Choose from classic chocolate, sumptuous red velvet, traditional vanilla or unique seasonal flavors to bring a bit of whimsy to your event.

Make a statement with our modern silver gift tins, pillow boxes and clear gift boxes. Each can be personalized with custom labels and color-coordinated ribbon and tissue paper.

"Thank you for your great customer care! You've made a great first impression in a world of mediocre service!"

Mandie E, Atlanta GA

"Exquisite. And I don't use the word lightly."

Robin R, New York NY

Whoopie trios include your choice of any three whoopie pies in their own take-out box. Each whoopie pie is individually wrapped to stay fresh.

Individually wrapped mini whoopies, with background of 2-piece "Duo" boxes.

Create an elegant pillow box to hold a single or pair of whoopie pies. Assortments come in classic 3-ounce, or mini 1-ounce whoopie pies.

and all my guests still  
rave about how yummy  
they were!"

Starting with a 30-inch wooden board (available at craft stores), after covering it with blackboard paint, we used chalk to make the design, and the edge was finished with a program like painted bookends and brass napkin rings. (Photo: Kristin Weir, Paperart.)
